

Opportunities for Water Leadership Community Grant Program

The San Gabriel Valley Municipal Water District invites you and your school or community organization to participate in our new "O.W.L. Community Grant Program." Please consider submitting a proposal about how you can create a smart, fun "water-wise" project for your community. We'll help with funding if you identify partners, organize activities, manage the project's completion and share its results locally.

Examples of Eligible Projects

- Water-wise landscaping
- Turf removal
- Water-wise irrigation
- Storm water capture
- Grey water; recycled water
- Erosion control
- Waterway cleanup (lakes, streams, ponds)
- Forest restoration
- Water quality
- Science projects/Water conservation curriculum development
- Poster/Essay contests
- Youth Network/Club Development
- Awards/Incentives

Objectives

- To involve youth, school, community and business groups in "water-wise" solutions
- To offer funding that supplements labor and other contributions by partnering groups

Eligibility

- Schools – teachers, departments, student clubs, student groups, athletic teams, science clubs
- Community Groups – environmental, churches, scouting, service organizations, youth
- Eligible cities: Azusa, Sierra Madre, Monterey Park, Alhambra

Funding

- Grants ranging from \$200 - \$2,000
- One grant per recipient per fiscal year
- Funding is limited, apply today!

To Apply

Fill out the online form at www.sgvmd.org with the following information: *Applicant, Project Leader, Objectives, In-Kind Donations, Schedule, Funding and Outreach.*
