

RISE to the Challenge!

Earth Day Grants for April 2023

H₂Owl,
Water Guru and Mascot

Earth Day was H₂Owl's birthday in 2008. In 2017, we started the **O.W.L. Community Grant** program for schools and non-profit organizations. We've made dozens of O.W.L. Grants since then to create partnerships promoting water education and conservation.

**Apply for a
\$500-\$1,500 Grant
Today! It's Fast and Easy!**

We're celebrating **Earth Day** by making grants available for existing or new Earth Day activities at your school. Let's make **Earth Day** the start of an ongoing partnership with your school.
